

Exercise 5 „Expedition into the mountains”

At the top of the mountain is your destination, you are at the bottom of the mountain, think about the luggage you have - write it down, specify what you need to reach the top and reach the goal (Write down what you already have: knowledge, skills, networking. And what else do you need?). Then talk to your next person and think about what you have written down.

WHAT I NEED?

GOAL

LUGGAGE - RESOURCES I HAVE
